A broken system needs urgent repairs

The environmental, social and governance (ESG) approach to investment is broken. It needs to be streamlined and stripped of sanctimoniousness, argues Henry Tricks

How to charge more

Fees for managing ESG funds tend to be higher than for non-ESG ones

The warm glow

It's a myth that ESG investments inevitably outperform. You can't have it all

Internalising the externalities

Can firms be made accountable for their carbon emissions?

The saviour complex

It's time to get real about what ESG can—and cannot—achieve
