Il dottor Paul Thomas fa saltare in aria la narrativa convenzionale sui sierii Mrna.

Le statistiche sono assolutamente devastanti; vale a dire:

VACCINATED -VS- UNVACCINATED

Rifletti su quanto segue:

Domanda: sono necessari dei vaccini?

Risposta: NO.

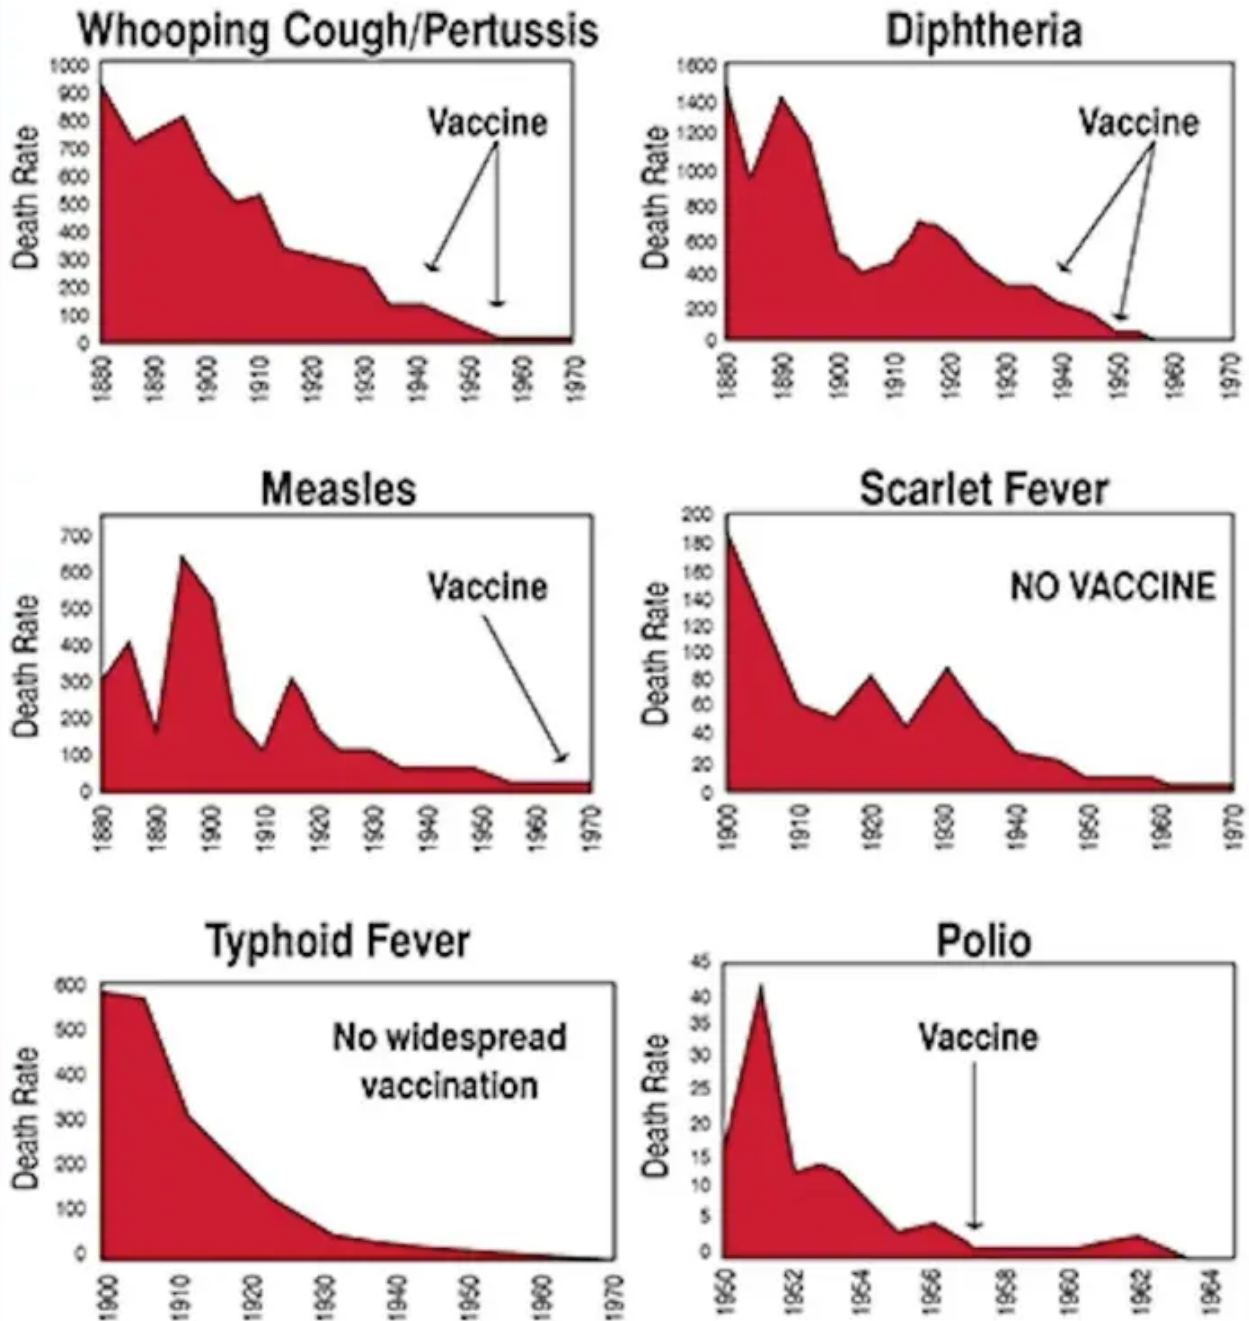

Domanda: i vaccini sono sicuri?

Risposta: NO.

Domanda: i bambini vaccinati sono più sani dei bambini non vaccinati?

Risposta: NO!

Death from Common Infectious Diseases Declined 90% BEFORE Vaccines Were Introduced*
