

Zelenski nomina Marina Abramovic ambasciatrice In fondo è tutto perfettamente coerente

Qui vedi la “artista” Marina Abramovich, amica dei Clinton e di Epstein e dei Rothschild... che butta sangue coagulato sulla immagine di un bambino

ZELENSKY la nomina ora ambasciatrice dell’Ukraina

(Non è un Ukraina, ma basta essere del gruppo etnico di Zelensky e gli altri)

Sarah Ashton-Cirillo, destituita ieri dalla carica di portavoce delle forze armate ucraine, è risultata positiva al test dell’HIV, scrive Breitbart.

Si sa anche che in precedenza era sotto inchiesta per accuse di pedofilia.
