

È ora che gli americani caccino e catturino i più grandi terroristi del mondo: CIA e Mossad **- inviato via email da un lettore**

La Gerarchia dell'Establishment può solo gridare al lupo così tanto che le masse iniziano a prendere piede e iniziano a fare sul serio per eliminare il terrorismo internazionale e la sua causa principale, non importa dove portano le sue impronte digitali.

usando la sua fornitura illimitata di dollari americani emessi o stampati per acquistare, corrompere e controllare quasi ogni singolo politico eletto e funzionario dell'USG. Qualsiasi di questi controllori principali, Kingpins del KM che vivono negli States sono meglio indicati come Establishment Hierarchy (EH).

Sono questi criminali che tirano tutte le fila per schierare l'esercito americano contro nazioni straniere sovrane per distruggerle per accedere alle loro risorse naturali, tutto pagato, per niente o quasi, dal contribuente americano.

Per eliminare il terrorismo mondiale, il capo del serpente della mafia khazariana, la sua vera fonte deve essere tagliata fuori. Sì, ora è il momento di tagliare la testa al Serpente terrorista. Sì, è giunto il momento di eliminare la causa principale del terrorismo. È anche ora di tagliare attraverso tutte le bugie, le false narrazioni e la propaganda del Cartello di notizie dei mass media controllati dalla mafia Khazariana (CMMM) (un monopolio illegale). News Cartel

E, cosa interessante, molti americani hanno ora scoperto che le sue impronte digitali conducono direttamente a una cabala criminale segreta, ma ben organizzata in tutto il mondo che si trova all'interno delle ultime diverse amministrazioni USG a partire da GHWB, nel profondo dell'Intel americano e della City di Londra, comando della NATO e soprattutto all'interno di Israele con i suoi Likudisti e il suo Mossad.

Gli addetti ai lavori chiamano la più grande cabala del crimine organizzato del mondo la mafia khazariana [KM], il sionismo Rothschild (RZ) o il sistema bancario centrale privato Rothschild che fa falsi soldi FIAT dal nulla e accusa la pernicioso usura di usarli. Questo stesso gruppo ha preso il controllo dell'USG infiltrandolo e dirottandolo per molti anni,

La loro specialità consiste nell'usare mercenari pagati per eseguire il terrorismo sotto falsa bandiera al fine di giustificare guerre straniere illegali e incostituzionali a scopo di lucro. Ma è anche usato come falso pretesto per la * famigerata e falsa "Guerra al terrorismo" ora combattuta in America, usato come falso pretesto

And now we recently have the G7 nations being pushed by the KM to continue sanctions against the Russian Federation. This of course is all based on a big lie and [false narrative](#) that Russia invaded the Ukraine and seized Crimea.

Pro-Eastern Ukrainians recognize the Kiev Western Coup As An Act Against Ukraine's Constitution, force Western Ukrainian Petro Poroshenko out of Crimea's parliament building in Simferopol on Feb. 28, 2014. But anyone that checks can easily find out the Crimeans were historically part of Russia and freely chose by large majority to re-join Russia in response to hard core KM Zionist Victoria Nuland's manipulation of the US Administration and State Department to spend 5 Billion USDs to stage a coup d'etat in the Ukraine in order to install the KM puppet [Poroshenko](#) (aka the evil Zionist butcher "Porky Pig").

This stupid action which is designed to provoke war between Russia and America and NATO has led many to view G7 as a KM puppet and EH mini-state.

Since we now know for certain that G7 nations all share the full power of US and UK Intel for espionage, deployed terror and crafty assassinations for the KM, it makes sense to view G7 as the first installment of a KM [Globalist NWO system](#), their age-old inter-generation dream that to them justifies all their unimaginable evil that they do in America and all over the world.

Yes, many of us Americans now know that all Terrorism in America, Europe, the Mideast and anywhere else in the world is synthetically staged as repetitive Gladio-style false-flag attacks by the Khazarian Mafia (KM), the world's largest organized crime syndicate.

Yes, we know that the Khazarian Mafia (KM) is run out of the City of London and its High Freemasonry playground, the illegitimate nation state of Israel.

- [Catholic Church vs Freemason's NWO](#)
- [Russia To End Netanyahu's Colonization In Syria's Golan Heights.](#)

In fact a [Proposed Declaration of War](#) against the Khazarian Mafia has already been prepared, so we know what must be done. We now know that [Israel is a KM](#) run terror-state which is stealing Palestinian lands and genociding them, functioning as a racist Apartheid state against Palestinians, the ****rightful owners of their land.**

And we know this for certain because high level insiders who are sick of all the lies and hypocrisy protecting these state secrets, have now leaked the facts which prove conclusively that all these acts of terrorism all over the World are engineered, staged and deployed by the [Khazarian Mafia](#) (KM).

Click To Enlarge
And we also know that the Khazarian Mafia (KM) is the operational name for the City of London Rothschild Zionist Banksters and their Cutouts in the CIA, the Mossad, the FBI, and their puppet

regimes such as Turkey and Saudi Arabia.

[I see Saudi Arabia pulling out of the KM. In fact, I see The USA continuing the narrative as though The S.A. is still joined at the hips with Israel & USA but they are not. USA & Israel continue to smear The S.A. and pass the buck by allowing lawsuits for 9/11 as though it was their doing. [The S.A. has dropped the KM petrodollar for sole settlement](#) of oil sales and has now aligned with China. Yemen is a U.S. false flag attack actually perpetrated against The S.A. which is a mirror image of what the USA did toward Russia by attacking The

Ukraine. In fact, Egypt where they just sentenced the KM's Puppet Mohammed Morsi to death, is assisting Saudi Arabia in bombing the USA's KM al-Qaeda/ISIS in Yemen. ~ Volubrjotr]

Top insiders have referred to the Khazarian Mafia (KM) as Rothschild Zionism and know that it is the head of the snake that is planning, financing and deploying terrorism all over the world at a macro-level such as with 9-11-01 or at a micro-level such as mass-shootings in gun-free zones.

We now know for certain that some of these mass-shootings in gun-free zones are real, and some are fake simulations, which the Controlled Major Mass Media (CMMM), the KM's official mouthpiece, declares to be real.

The Crux Of A Revolution. Not Amongst Ourselves But With The Head Of The Snake!
Cutting the head off of the Terrorist Snake.

This must be done by first capturing the World's Biggest Terrorists who reside in DC, NYC and anywhere inside America or its US Territories. Then speedy, televised public trials for Terrorism, RICO, Treason, mass-murder, crimes against humanity must

be immediately held, and all citizens must be allowed to present any evidence and affidavits they wish.

Reduced sentences can be given and even immunity for lower level dupes who turn State's evidence and this evidence can be used to convict the KM/EH Kingpins (and most of us VT readers know who these Terrorist Perps are).

[Antitrust Rothschild's Fraudulent NWO Monopoly Of Nation Banks. Just As We Did With AT&T's Monopoly Of The Telephone Industry!!](#)

Quick convictions can be obtained and the major crime kingpin Terrorists of the KM/EH should then be given capital sentences that require public hanging until dead on a military gallows like the plotters who helped Booth assassinate President Lincoln.

If you want to truly stop world terrorism and all these illegal, unConstitutional wars for profits that are based on big, lies, false-narratives and false-promises, the root cause (which is the KM) must be attacked and eliminated, one way or another.

Otherwise American cannot survive as a Republic because insiders have claimed that the KM plans to [reduce America and the world's population by 90%](#) unless they are dis-empowered. And they have put this in writing in their white papers and in

stone at the Georgia Guidestones.

The testimony of those turning state evidence for reduced sentences and immunity can be used to serve as evidence to indict foreign based perps in the City of London, Israel and anywhere else.

Arrest warrants can be issued and any related assets of the KM/EH can be seized and immediate sanctions can be brought against any nation refusing to extradite these world class terrorists who will be under indictment for Terror, mass-murder and crimes against humanity as well as RICO organized crime.

And still if no compliance special forces can be deployed by the US to execute dead or alive warrants to bring them back and very large rewards in Gold and Silver can be offered to those who give up their hiding places and turn them in.

These KM/EH master terrorists and mass-murderers can be hunted down anywhere in the world they are and all their assets can be seized and divided up and distributed to their victims and their surviving families.

It has been estimated that seizure of the KM assets alone would total over 72 trillion USD which if distributed could help a lot of KM victims.

This shouldn't be too hard when America has some of the best trained

Special Forces soldiers in the world and we know exactly who these World's Biggest Terrorists are and where they reside and work thanks to NSA surveillance systems.

Obama Captured

- [Military Coup Could Oust Obama!](#)

Yes, these World's Biggest Terrorists are easy to reach. This could be easily done if the US Military High Command would do their job to protect America from all foreign enemies (especially those inside our gates) and start protecting real US National Security, instead of allowing Khazarian Mafia Cutouts to manipulate them into violating their Oaths and the US Constitution.

Obviously all the top leadership of the CIA that have been involved in 9-11-01, its cover-up and international narcotics trafficking and terrorist mercenary armies would be arrested, tried, convicted and executed.

Afterwards very little if anything of the CIA would be left, since the CIA was set up as a pure KM agency run out of the City of London

for the Rothschild Zionist Banksters in the first place.

We would see the same result for many involved in setting up and running DHS, which would have to be completely eliminated with all US Law Enforcement and Intel agencies returned back to their independent statuses with their original mandates and charters.

Numerous Traitors and KM RICO criminals in the FBI would be arrested, tried, convicted and executed for fomenting terrorism among retarded and mentally ill Somalis and Islamic deficients and entrapping them with life sentences when they should instead be given treatment.

- [Zionist 'Orgy Island' Back In The News:](#) From Prime Minister Of Israel Ehud Barak, Kevin Spacey, Mossad, Jeffery Epstein, Bill Clinton, & Alan Dershowitz ~ The Dershowitz Sweetheart Settlement May Be Overturned!

Creating and fomenting terrorism has reduced the FBI to a terrorist, cover-up and blackmail agency. Besides the FBI has no official charter according to the US Library of Congress and no official right to even exist in the first place.

Who Owns America ? 2

The FBI, like the IRS was set up as a secret police for the KM Banksters who set up the illegal, unConstitutional pernicious usury based Federal Reserve System (FRS) in the first place in 1913.

This private FRS, a secret franchisee of the Rothschild bank of England, has been a major financial and economic parasite on America and has created massive debt-slavery by lending Americans its fake FIAT "money" at interest when it should have been their public money backed by real Gold, Silver and commodities at no interest in the first place.

We now know for certain without any reasonable doubt that all wars are "[Bankster Wars](#)" set up and run by the Rothschild Zionist KM in order to lend money to both sides to access other nations natural resources for little or nothing, all done in order to make massive profits terrorism and these staged wars.

[Netanyahu Sells Syrian Golan Heights Oil To Rothschild & Murdoch](#)

Breaking International Law. Any such legal anti-terrorism US Military tribunal would of course be legal under real National Security. Such efforts would quickly lead to the arrest of disloyal Members of Congress who would be arrested and tried for Treason and Sedition for serving the KM and for signing the [AIPAC Loyalty Oath](#) to the put Israel first over even America.

And the top [CMMM moguls](#) who run the CMMM on behalf of the world's most powerful investment house who many consider to be the "vanguard" of all investment corporations would be arrested and tried under criminal RICO as accessories to terrorism, mass-murder and crimes against humanity.

If America is to survive we must clean out the KM and its EH once and for all.

Right now the only American institution that has the force necessary to do this is the US Military High Command backed up by honest elements in the US Military.

And we know that there is a growing number of high ranking officers in the US Military that know that the attack on America on 9-11-01 was done by traitors in the Administration, the JCS, the USAF, NORAD and the FAA and that the attack was planned and supported by Netanyahu and his Likudists.

And all done on behalf of the KM and the EH who run America, mostly Israeli-America "Israeli-first" Dual Citizens (PNACers and Top NeoCons). Christian Zionism Is A [Monumental Lie](#) And Legal Racket

The KM's age-old strategy of "Divide and Conquer" is a central operating principal used to maintain power.

If we don't cut the head off of the KM Snake, the true cause of all world terrorism here and abroad, they will continue asset stripping use bare, fomenting free trade to export most good American jobs, destroying our borders, language and culture, and pushing political correctness, diversity, and perversity until all basic [American morality](#) is eliminated.

Yes, we now know for certain the this same world's largest organized crime syndicate, the KM, has been [working hard to destroy](#) the average American's ability to earn a living wage and making them dependent on welfare and government benefits.

This is all part of the age-old KM strategy of "divide and conquer" to generate high taxes against those that work full time so that class warfare can be elicited between the hard workers and the growing underclass who cannot find jobs that pay a living wage even if they became motivated and didn't feel entitled to government support.

How much better for America if the US Military High Command would wise up and stop being used as tools of the KM and instead do the job they are claiming to be mandated by Congress to do: stop the real terrorists, especially those that reside in America inside the beltway and NYC.

And we now know for certain that the all world terrorism is planned, financed and deployed terrorism around the world always originate with the KM and are often supported by the evil Establishment Hierarchy that illegitimately runs America.

Thanks to a top Five Star General Wesley Clark's video testimony, one goal was to destroy Iraq, Afghanistan, Syria and Iran and three other nations in five years.

- [What Did General Clark Know When He & Billy Clinton Destroyed A Catholic Nation For The Muslim Brotherhood?](#)

We know this to be part of the now infamous "Greater Israel" plan, a secret KM plan leaked by insiders who were so outraged they broke their secrecy agreements.

After all, it is illegal to invoke national security or attempt to use secrecy agreements to cover up serious crimes, such as murder, mass-murder and staged Gladio-style Terrorism.

FREEDOM ~ Fighting The Rothschild British Banking System At Valley Forge, Pennsylvania

Right now there is a [major split in the Pentagon](#) and American Intel.

We have growing and powerful factions who are sick and tired of the USG being hijacked by the Khazarian Mafia (KM). These powerful factions have now

become aware of who the real terrorists are, because they know it was these KM Kingpins and their Cutout American Traitors who did 9-11-01. Evidence that it is the KM/EH Kingpins (the Select Few) who are behind all world terrorism is substantial and consists of hundreds of secret documents that have been leaked and continue to be leaked that have been exposing the Khazarian Mafia and its EH that hold America as its hijacked Zionist province.

Right now America is under siege by an Israeli (KM empowered) secret police state army called Homeland Security (DHS).

DHS is a completely illegal, unConstitutional RICO criminal organization which is run by and on behalf of foreign infiltrators and hijackers of America, the KM Banksters and Rothschild Zionists, are true enemies

within our gates of America like so many Dual Citizen slaves of the Rothschild Zionist KM criminal syndicate.

This actually means that right now America is a foreign-occupied nation. And we know that the EH has been militarizing the police, training them with ADL programs using Israeli IDF "anti-terror" procedures and the EH Select Few Kingpins are pushing hard to disarm America so their illegitimate occupation of America can never be challenged.

And an armed America will be able to do whatever necessary to wipe out the Khazarian Mafia (KM), if it ever comes down to that.

It is high time that we take America back from these international terrorists and mass-murderers, the KM and their henchmen, the Establishment Hierarchy (EH) Select Few who sit at the top of the KM Pyramid of Power.

Not to mention all the millions of innocent civilians they have mass-murdered; or all the many thousands of American Soldiers they have sent to their deaths and disabilities using them as KM cannon-fodder in their wars for profits and Big Oil.

You Don't Mind Dying For The Rothschild Mafia Do You?

Some things we now know for sure. The KM and its EH Kingpins (the Select Few) cannot continue in power without continued abject secrecy, which is now ending.

And thanks to the worldwide Internet, the New Gutenberg Press, that communicates truth at the speed of light rather than the speed of paper, pen or snail mail, all secrecy is now ending for certain.

We know that much of the world has now turned against the KM and the EH and is plotting by the day to dis-empower it, by destroying its FRS debt-slavery induced by phony FIAT interest bearing money with no backing of any real value like Gold, Silver or commodities.

It's only a matter of time that the KM, the EH and Rothschild Zionist empire is dis-empowered and destroyed, as the whole world comes against it.

We Americans need to be on the right side of this battle, so that we don't go down when the KM, the EH and Rothschild Zionism are permanently destroyed by the BRICS nations, the AIIB nations, and the new Chinese CIPS (a Swift-type electronic money-wire system), as the US Petro dollar is eliminated as the world's Reserve Currency.
